

We are excited to announce that in addition to Medicare Advantage, Health First Health Plans will be offering Individual plans in Indian River County beginning with January 1, 2022 effective dates.

Members residing in Indian River County will have access to affordable Individual and Family Plan options and access to Health First Health Plans' expansive network, including our High Value Network Plans.

Please visit the Provider Directory from our public website at myHFHP.org to view doctors and facilities in the HVN Network.

Brokers already appointed to sell our Individual and Family plans do not need to take any action to sell in Indian River. If you are not yet appointed with us, please [Create an Account](#) to get started and complete your appointment.
